OpticPro A320E

plustek

OpticPro Series

Large Format CCD Flatbed Scanner

For graphic artists and designers!

The Plustek OpticPro A320E is a high resolution, 800 dpi scanner that can scan an A3 sized page in 7.8 seconds. Seven programmable one touch buttons simplify scanning tasks. It is ideal for graphic designers, publishing companies, libraries, schools, small office/home office (SOHO) users and for others who require large format scanning in cost effective way.

❖ KEY FEATURES

- Large format scanning area (A3 size ,304mm x 431mm ,12" x 17")
- CCD Sensor allows scanning images with depths of field
- One-touch button design to personalized the program
- Accurate color and high dynamic range
- Compatible with most imaging applications
- User-friendly software bundle

❖ FEATURES

Large Format Scanning

The Plustek OpticPro A320E is designed to meet the most demanding large format scanning requirements. It features 300 dpi resolution and can scan an A3 size (304mm x 431mm, 12" x 17") color page in 7.8 seconds

Easy to Use

One touch buttons simplify scanning tasks and increase scanning speed and efficiency. All scanning is done using the scanner buttons. There is no need to go back and forth between your computer screen and the scanner to scan additional pages.

Compatible with Most Imaging Application

Industry standard TWAIN and WIA drivers combined with TIFF, JPG, PDF and Microsoft Office file formats ensure compatibility with thousands of scanning and imaging programs.

Accurate color and high dynamic range

CCD image sensor gives the scanning experience more reliable, especially when you are scanning with artworks and colored drawings. OpticPro A320E provides relatively high dynamic range of color, also the clear image of artwork and its frame. With A320E, you can store the fragile documents or artworks with high quality easily.

Auto Threshold

Automatically thresholds the current image into a binary black and white image.

Auto Rotate

Automatically rotates document based on the contents of the document.

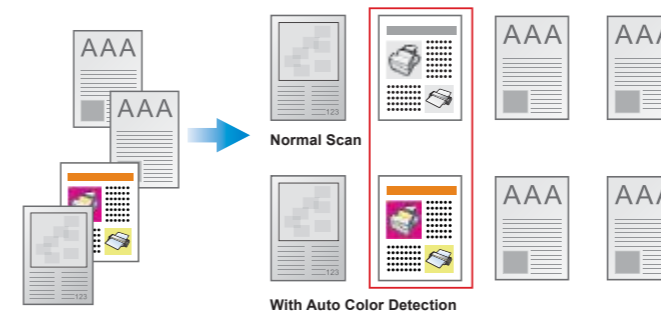

Auto Crop & Deskew

Automatically straightens and crops image to the documents actual size.

Auto Mode

Automatically detects document color and scans document in color, grayscale or black & white mode.

Multi-Image Output

Scans and saves documents in 2 or 3 color modes at same time.

Color Dropout

Removes red, green or blue color when scanning forms.

Descreen Filter

Removes moiré pattern when scanning newspaper or magazine.

Supports document scanning up to A3 size

Provides high quality scanned image

Single touch buttons simplify your scanning experience and increase work efficiency

Automatically straightening an image that has been scanned, to make the scanning job more pleasant and enjoyable

Provide automatically removal of the outer parts of scanned image, to improve framing without using any extra image editing software

Save paper documents as searchable PDFs at the touch of a button and retrieve your information faster
